The Welcome Place Preschool!

The Welcome Place Preschool is a ministry of Cross of Glory Lutheran Church and was established in 2002. Our mission, vision, guiding principles, philosophy and methodology spring from those which guide our congregation. And at the very heart of this faith community is a commitment to being a welcome place for all people. Therefore, *all children are welcome* at The Welcome Place Preschool, regardless of religious affiliation, race, color, sex, natural and ethnic origin. We commit ourselves to offering a loving learning environment to all of God's children.

Our Mission:

We believe that preschool children learn best in a loving environment through exploration and play. Therefore each child is encouraged to choose from a variety of developmentally appropriate activities. The child's learning is guided by his or her own active curiosity. Preschool is a time for social interaction with peers and adults, problem solving, experimentation, creative expression, decision making, large and small muscle development, manipulation and exploration of their world where we help facilitate, motivate and stimulate their learning.

Our Philosophy

Jesus has shown us that children have a special place in the heart of God (*Matthew 19:13-15*). Therefore, every single child at the Welcome Place Preschool is welcomed, loved just as they are, and valued for the unique gifts they bring. Therefore, in a creative, loving and challenging environment designed especially for preschoolers, children are met at their own developmental level and encouraged to grow their self-esteem, develop a love for learning and to expand their curiosity through faith, play, hands-on exploration, and experimentation.

Our Guiding Principles:

Jesus is Lord!

Everyone is Welcome!

The World Needs What We Have!

Everyone Has Something to Offer!

Love changes everything!

Our Learning & Growing Objectives

- An appreciation for their own uniqueness and that of each individual.
- Promote social, physical, intellectual, emotional, and spiritual development.
- The education and social skills they need to succeed in future educational experiences.
- To create a nurturing and encouraging environment full of warmth and security.
- To spend 2 1/2 to 3 hours using imagination and exploration in an unplugged environment.
- To facilitate an excitement towards a lifelong love of learning.

Our Daily Activities

Each Day at The Welcome Place Preschool will include: prayer, healthy snacks, educational centers that include math, science and language arts, music, art, story time, dramatic play, and small and large motor activities including a yoga class held weekly.

Class Size

Our class size will ensure that each child receive special and individual attention. There will not be more than 10 students per teacher.
